WHY YOU SHOULD TAKE

IRON

Any person whose blood is thin—who is pale or weak—who always feels tired or to whom life hardly seems worth while, SHOULD TAKE

DIKE'S IRON Tonic Bitters

The beneficial effects of Dike's Iron Tonic Bitters are soon noticeable. It makes rich red blood. The pallor of the cheek is soon replaced by the ruddy glow of health. No tonic is more popular with those who need one and nothing is a better investment than a

\$1.00 BOTTLE OF DIKE'S TONIC BITTERS.

BIG CHANGE IS NOTED

Weather Conditions Are Different From Those Of Last Year

Unusual weather characterized this fall. Only one frost has been reported by the weather bureau and that so slight that it did not damage tomatoes. But the most convincing evidence is a comparison of the weather office records for last year and this from the 18th of this month to the 22nd. Last year each day on the dates referred to was either rainy, cloudy or partly cloudy, and the highest temperature was 61 and the lowest 32. On the same dates this year every day has been clear and the highest temperature was 78 and the lowest 42.

Installation Services.

The installation of Rev. George H. Gibson will take place at the Presbyterian church, Crosswell, Mich., Thursday evening, Nov. 5th, at 7:30 o'clock, standard time.

The officiating clergy will be Rev. E. H. Bradford, moderator of the synod of Michigan, Rev. J. J. Barsam, moderator of the Synod of Presbytery of Flint, Rev. R. M. Crissman, D. D., pastor of the First Presbyterian church of Flint and Rev. D. S. Carmichael of the First Presbyterian church of Bad Axe.

Feels Most Thankful

Through the columns of the Expressor I desire to express my heartfelt appreciation for the splendid support given me by my friends in Yale, Brockway, Lynn, Greenwood and Emmett, on election day. I feel grateful to all for their loyal spirit and will endeavor to merit the confidence bestowed in me.

Respectfully yours
David D. Martin

Live Stock Quarantined

The United States government as a precaution against the spread of the mouth and hoof disease among cattle, sheep and hogs has quarantined this and other states. No stock shall be shipped in or out during this period. An embargo has been placed on hay. Business will be injured to some extent through this action.

Letter From Florida

Dade City, Fla., Oct. 26, 1914.

To the Yale Expressor:
In reply to Mr. Williams' letter in the Yale Record of Oct. 16th, I do not propose to discuss Florida's abilities or disabilities.

Florida's experiment stations are giving perfect satisfaction while a few farmers are doing even more than the experiment stations report.

So far as mosquitoes, fleas and gnats and insular fever a whole lot of statements made are false. People are finding it out too as statistics show that 30,000 people are coming to Florida each month.

Florida has a beautiful climate; has more water front than any other state in the union; gets a nice cool breeze off the salt water; is producing more fish than any other state; has more wild lands, some of it the very best; can grow her own beef, her chickens and eggs. I have a friend from St. Louis who showed me his account sales from 600 laying hens for twelve months which was \$83,511.00. Just think of it.

Your stock can run out every day in the year. It is not necessary to have your barns celled, plastered nor papered. What you raise commands as good a price here as in the north.

You can have strawberries at least five months in the year; green beans winter and spring; new potatoes fall and spring, all from the same land and grow a crop of corn in the summer. That is why so many people are coming to Florida. Only a small percentage of them are making mistakes.

I look for our friend Williams to come down here in a very few months, or at least I have him pictured in my mind, located in a nice five-roomed bungalow, fronting some beautiful lake, with a ten acre grove of citrus fruit, with all the pigs and chickens that he can tend to, and with a couple of nice Jersey cows.

I remain, respectfully yours,
G. M. Sims

Why these liberal terms at rock bottom cash prices —you say

Feels Most Thankful

Our new club plan of selling makes them possible.

By getting several people to combine their purchases we are able to sell several watches at no greater cost than it ordinarily takes to sell one watch.

And so we give you the benefit of this saving.

You can't buy a better watch than the South Bend which we are offering on this club plan.

Come in and let us show you one.

We can make this club offer for a limited time only so take advantage of it immediately.

SCHOOL NOTES

Editor—Norma Shaw

A pupil in the seventh grade geography class on examination was talking about the grass on the western plains and said the grass grew twenty feet tall.

Russel and Zelma Stevens have left fifth grade.

The third grade is studying pictures. Margaret Graham was promoted to the third grade this week.

Marlette teachers had a visiting day one day last week and came over to see the game. Our laboratory seemed to attract the most attention.

Yeceditor wishes to call attention to the error of last week in regard to Algebra class. They were graphing not grafting.

Found on examination papers—"Besides his plays, Shakespeare wrote some dramas" also Mid-Day Dreams. Tuberculosis is caused by a little worm which looks very much like an angle worm.

For Rent—A line seat on south aisle. Owner has moved away. Clarence Reid.

Miss Greenwood attended the Savies and Cochran's last week.

The Marlette team defeated our boys last Friday by the score of 13 to 0. The reason was "too much beef." Yale played a good game on defense but lacked their usual speed when they had the ball. The work of Menerey and Hallman was especially good, while Umphrey as left tackle proved a power on defense. The Yale boys feel that they out played their opponents and when they go to Marlette on Thanksgiving day you may look out for a fast contest. Both teams played clean foot ball and while Referee Smith's decisions were a trifle questionable, yet the spectators certainly received their money's worth. Another good game Friday p. m. Cass City vs. Yale High.

Cass City High plays the local lads on the home gridiron this Friday. Coach Ryan has shaken up his line and backfield since the Marlette game and thinks this team will gain in speed by the change. Come out and see a good game as Cass City has a fast team this year.

Eastern Stars at St. Clair

At a meeting of the county association of the Eastern Star held at St. Clair Friday afternoon and evening last there were about two hundred and fifty present from the following chapters: Emily Ward, of Marine City; Mystic of Port Huron; Port Huron Chapter of Port Huron; Memphis, Capac and Yale chapters. At this meeting the following officers were elected: Mrs. Dr. Geo. J. Ward, of Cornell chapter, of St. Clair, president; Frank Halstead, of Port Huron, vice president; Mrs. Jones, of Memphis, treasurer; Mrs. Wm. Pike, of Mystic chapter, Port Huron, secretary; Mrs. Geo. Jones of Marine City, chaplain. The address of welcome was given by Mrs. Dr. George J. Ward. Among those present there were Mrs. Parsons, Worthy Grand Matron and Miss Kenyon, Grand Conduetress. There were a number from outside chapters, one lady from Honolulu. The banquet was served at the Congregational church by the Ladies' Aid Society. The Worthy Grand Matron, Mrs. Parsons, and the retiring president, Mrs. Fuller, were presented with some beautiful pieces of cut glass on behalf of the association, and Miss Kenyon was presented with a cameo brooch on behalf of the Emily Ward chapter, Marine City.

SCHOOL REPORT.

Report of Lutz school for month ending Oct. 30, 1914:—

Number of days taught 20.
Total attendance, 403.
Average daily attendance, 20.
Number of boys enrolled, 16.
Number of girls enrolled, 6.
Total enrollment, 22.

Percentage of attendance, 91.
Those neither absent nor tardy were Leo Duquette, Lawrence Duquette, Malcolm Evans, Roy Ferguson, Milton Ferguson, Leona Lutz, Harvey O'Donnell, Vernell Todd, Hugh Todd.

Much credit is due the district for a fine steel ceiling and freshly painted walls, making the school room clean and sanitary.

A marshmallow roast was given in the woods Friday afternoon for Harold and Florence Manns who have moved from our district. They were each presented with a book as a parting gift from their school mates who regret their moving away.

Mabel E. Phillips, Teacher

Bidleman—Middleton

The marriage of Mr. Joseph Middleton and Miss Rilla Bidleman, a highly accomplished young teacher of Yale, and he a prosperous young farmer of Lynn township, was solemnized October 29th at the home of Rev. Dimond, Port Huron.

The young couple left for a wedding trip to Detroit and Kalamazoo, returning home Monday evening. About 40 young friends from Yale and vicinity met at the home of the groom's parents in Lynn township Monday evening and gave them a hearty reception. A long, happy life is the best wish of their many friends.

YOUR BEACON

YOUNG man, young woman, does a failure ever inspire you? When you see a wreck of a man, do you say to yourself, "I wish I were like that."

No, you don't. Isn't it the man or woman who is doing things, that you admire? Why? Because none of us wants to be a failure.

Financial preparation is not an affair of the pocket, but an affair of character. It is more than saving; it means earning, working, planning—increasing as well as conserving.
